Embassy of the United States of America

Despatch No. 767 Bogotá, Colombia, July 7, 1945

Subject: Forwarding Nineteen Volumes of Documentary Material and Government Publications regarding Frontier Arrangements and Arbitraments between Colombia and Venezuela and between Colombia and other neighboring countries.

Sir:

I have the honor to refer to the Department's unnumbered instruction of April 23, 1945, regarding the distribution of the publications entitled Boundaries of the Latin American Republics, An Annotated List of Documents, 1493 - 1943, and to acknowledge receipt of the twenty-five copies of the above mentioned publication. These publications have been distributed by the Embassy in accordance with the Department's instructions.

This is also to report that this Embassy is in receipt of fourteen volumes regarding Arbitraments between the republics of Colombia and Venezuela by the Federal Swiss Council and five volumes pub ished by the Ministry of Foreign Relations-Oficina de Longitudes y Fronteras of Colombia concerning the boundary arrangement agreements with neighboring countries. The Officina de Longitudes y Fronteras states in its letter that these volumes are being offered for the use of the Office of the Geographer of the Department of State, who mentioned in the introduction to his volume, Boundaries of the Latin American Republics, that it was hoped readers would inform him where material would be found that would be of help in completing imperfect references. A copy of the letter covering the forwarding of these books to this Embassy is enclosed. Incidentally, it should be noted that the Ministry does not specify whether this is to be regarded as a loan by the Colombian Government or as a gift to the Department of State.

These volumes are being forwarded by steamer pouch as accompaniments to this despatch.

Respectfully yours,

Gerald A. Mokuma
Second Secretary of Embassy
